About the Book ~

Ten days out of Neverbay, Hook and Jill capture a ship's surgeon, pressing him to join the *Roger*. But Doctor Hanover is a gentleman, with a daughter to defend. When Red-Handed Jill shows him favor, his heart is taken prisoner, too. Hanover contrives to redeem Jill to society...as his wife. Other rivals contend for Jill's red hand. With no word of farewell, Hook vanishes, and Jill must come to terms with each of the dangerous men in her domain.

Other Oceans is an unabashed study in loyalty, vibrant with the dynamics of power. Book Two of this Saga delivers all the exhilaration that a clash of wills, hearts, and fortune can arouse.
